

TB Modelling and Analysis Consortium

Dear <<First Name>>,

Welcome to the latest TB Modelling and Analysis Consortium ([TB MAC](#)) newsletter, with information for TB modellers, epidemiologists, and decision-makers.

TB MAC online meet-up at the Union Conference [17 November]

While we can't meet up in person at this year's Union conference, we would like to invite you to join us and get a chance to hear about what we're up to, make suggestions for things we could do, and meet other TB modellers. We will be meeting on Thursday 17th November at 1505-1600 GMT, click [here](#) for a zoom link to join.

Job Avenir Health Senior Analyst and Modeller

Avenir Health, a global health organization that works to enhance social and economic development, is seeking to hire a Senior Analyst and Modeler with advanced knowledge of transmission and prevention modeling (particularly in the fields of HIV and TB epidemics) and with strong quantitative skills to contribute to modeling, costing, and planning activities that support international donors and national programs. Further details can be found [here](#).

As always, please email us with relevant news for the community and let us know if you have any recently published TB modelling papers that you would like us to highlight in our future newsletters, [email](#) us with details.

For more information on TB MAC, or to get involved, please contact any of the [TB MAC Committee](#), visit www.tb-mac.org or email us directly at tb-mac@lshtm.ac.uk.

Best wishes,

Richard, Finn, Madeleine and the TB MAC Committee
